# QUICK GUIDE TO BIENVENEDA TRAIL

**DESCRIPTION:** The Bienvenida Trail is part of the Topanga State Park system. The trailhead is accessed via the single track Leacock Memorial Trail, which starts in a residential community at the intersection of Via Floresta and Bienvenida Avenue. From Temescal Canyon Trail or Leacock Memorial Trail, Bienvenida Trail can be used to make a loop with Temescal Ridge Trail.

**DIRECTIONS:** From the PCH, turn inland onto Sunset Boulevard. After about 1.8 miles, turn left onto Bienvenida Avenue. Continue on Bienvenida Avenue for about 1 mile, until the Via Floresta intersection. Safely park along the street and access the Bienvenida Trail via the Leacock Memorial Trail, located on the east side of Bienvenida Avenue.

## SAFETY FIRST

In case of **EMERGENCY** dial 911.

For non-emergencies on County trails call the Los Angeles County Sheriff's Parks Bureau Dispatch at (800) 834-0064.

## HAZARDS ON THE TRAIL

Rattlesnakes occasionally sun themselves in the middle of the trail. If encountered, keep your distance and allow space for the snake to retreat.

Poison oak can be identified by groups of 3 leaves going up the branch. It's best avoided by staying on the trail and wearing long pants and long-sleeved shirts to prevent contact with skin.

Ticks are most often found in shaded, grassy areas off the beaten path. Stick to established trails and wear long pants to avoid contact. Check for ticks frequently, especially the scalp, waist and other dark places where they can hide.

## SHARE THE TRAIL

When trail conditions require a right of way for safe passage, **equestrian users have the primary right of way, hikers next and then mountain bikers**. When trail conditions allow and when there is width to safely pass, common courtesy should prevail for all users. Stand to one side of the trail and allow them to pass. When in a group, avoid blocking the trail. **Mountain bikers yield to all trail users**. Anticipate other trail users as you ride around corners. Mountain bikers traveling downhill must yield to all users, including other mountain bikers, headed uphill. In general, make each pass a safe and courteous one.
