QUICK GUIDE TO MALIBU LAKE VISTA TRAIL

DESCRIPTION: As the trail name suggests, Malibu Lake Vista Trail provides beautiful views of Malibou Lake. The trail is located within Historic Reagan Ranch and can be accessed from that staging area. Connect with Yearling and Deer Leg Trails to make a nice loop from this trailhead. The trail is mostly coastal chaparral, although the route up from Deer Leg Trail is densely wooded. The trail opens up along the top with open views of the lake.

DIRECTIONS: The trail can be accessed from the Reagan Ranch staging area in Malibu Creek State Park. From the 101, exit at Kanan Rd in Agoura Hills. Travel south to Cornell Wy and turn left. Continue for 2.3 miles to Mullholland Hwy. Continue straight onto Lake Vista Dr. The staging area will be on the left just after the intersection.

SAFETY FIRST

In case of **EMERGENCY** dial 911.

For non-emergencies on County trails call the Los Angeles County Sheriff's Parks Bureau Dispatch at (800) 834-0064.

HAZARDS ON THE TRAIL

Rattlesnakes occasionally sun themselves in the middle of the trail. If encountered, keep your distance and allow space for the snake to retreat.

Poison oak can be identified by groups of 3 leaves going up the branch. It's best avoided by staying on the trail and wearing long pants and long-sleeved shirts to prevent contact with skin.

Ticks are most often found in shaded, grassy areas off the beaten path. Stick to established trails and wear long pants to avoid contact. Check for ticks frequently, especially the scalp, waist and other dark places where they can hide.

SHARE THE TRAIL

When trail conditions require a right of way for safe passage, **equestrian users have the primary right of way, hikers next and then mountain bikers**. When trail conditions allow and when there is width to safely pass, common courtesy should prevail for all users. Stand to one side of the trail and allow them to pass. When in a group, avoid blocking the trail. **Mountain bikers yield to all trail users**. Anticipate other trail users as you ride around corners. Mountain bikers traveling downhill must yield to all users, including other mountain bikers, headed uphill. In general, make each pass a safe and courteous one.
