

QUICK GUIDE TO PALMDALE HILLS TRAIL

DESCRIPTION:
 Palmdale Hills Trails is a 1.40 mile trail located in the foothills south of Palmdale. Traveling from east to west, the trail turns from a wide, relatively flat trail to a steep, narrow, and sandy trail that is more challenging to climb. The trail is almost entirely within low-growing chaparral, allowing for clear views into Palmdale and Antelope Valleys.

DIRECTIONS:
 From East Barrel Springs Road in Palmdale, head south on Courson Ranch Road (unsigned road one block east of 6th Street). Informal parking available immediately after crossing the aqueduct.

SAFETY FIRST

In case of **EMERGENCY** dial 911.

For non-emergencies on County trails call the Los Angeles County Sheriff's Parks Bureau Dispatch at (800) 834-0064.

HAZARDS ON THE TRAIL

Rattlesnakes occasionally sun themselves in the middle of the trail. If encountered, keep your distance and allow space for the snake to retreat.

Poison oak can be identified by groups of 3 leaves going up the branch. It's best avoided by staying on the trail and wearing long pants and long-sleeved shirts to prevent contact with skin.

Ticks are most often found in shaded, grassy areas off the beaten path. Stick to established trails and wear long pants to avoid contact. Check for ticks frequently, especially the scalp, waist and other dark places where they can hide.

SHARE THE TRAIL

When trail conditions require a right of way for safe passage, **equestrian users have the primary right of way, hikers next and then mountain bikers**. When trail conditions allow and when there is width to safely pass, common courtesy should prevail for all users. Stand to one side of the trail and allow them to pass. When in a group, avoid blocking the trail. **Mountain bikers yield to all trail users**. Anticipate other trail users as you ride around corners. Mountain bikers traveling downhill must yield to all users, including other mountain bikers, headed uphill. In general, make each pass a safe and courteous one.
