

# QUICK GUIDE TO RUSTIC CANYON TRAIL

Quick Guide courtesy of  
County of Los Angeles

**DESCRIPTION:** This somewhat rugged trail starts in Will Rogers State Historic Park and travels the canyon. The trail dips down into Rustic Canyon and crisscrosses the creek that follows along the bottom, creating muddy areas, especially after a large rain when it may be impassable. The bottom of the canyon is well-shaded with significant vegetation and large trees. The hike through Rustic Canyon provides a unique view into native riparian zones.

**DIRECTIONS:** The trail is accessible from the staging area near the polo field at Will Rogers State Historic Park. From PCH, head east on Temescal Canyon Rd. Take the second right onto Sunset Blvd. Turn left onto Will Rogers State Park Rd. Staging areas will be on the left.

## SAFETY FIRST

In case of **EMERGENCY** dial 911.

For non-emergencies on County trails call the Los Angeles County Sheriff's Parks Bureau Dispatch at (800) 834-0064.

## HAZARDS ON THE TRAIL

Rattlesnakes occasionally sun themselves in the middle of the trail. If encountered, keep your distance and allow space for the snake to retreat.

Poison oak can be identified by groups of 3 leaves going up the branch. It's best avoided by staying on the trail and wearing long pants and long-sleeved shirts to prevent contact with skin.

Ticks are most often found in shaded, grassy areas off the beaten path. Stick to established trails and wear long pants to avoid contact. Check for ticks frequently, especially the scalp, waist and other dark places where they can hide.

## SHARE THE TRAIL

When trail conditions require a right of way for safe passage, **equestrian users have the primary right of way, hikers next and then mountain bikers**. When trail conditions allow and when there is width to safely pass, common courtesy should prevail for all users. Stand to one side of the trail and allow them to pass. When in a group, avoid blocking the trail. **Mountain bikers yield to all trail users**. Anticipate other trail users as you ride around corners. Mountain bikers traveling downhill must yield to all users, including other mountain bikers, headed uphill. In general, make each pass a safe and courteous one.
