QUICK GUIDE TO TRIPPET RANCH TRAILS

DESCRIPTION: Trippet Ranch is the main access point into Topanga State Park. Formerly a weekend ranch retreat, the trails here are characterized by picturesque oak groves and open meadows. Many of the trails originating here make excellent connections to longer hikes within the park.

DIRECTIONS: The main Trippet Ranch staging area is located on Entrada Rd. From the PCH, travel north on Topanga Canyon Blvd, pass the post office at the center of "town," then turn right on Entrada Rd. Keep to the left at every opportunity until you reach the park's main parking lot (about one mile). From the 101, exit at Topanga Canyon Blvd, drive south over the crest of the mountains and proceed three miles to Entrada Rd and turn left into the park's main parking lot.

SAFETY FIRST

In case of **EMERGENCY** dial 911.

For non-emergencies on County trails call the Los Angeles County Sheriff's Parks Bureau Dispatch at (800) 834-0064.

HAZARDS ON THE TRAIL

Rattlesnakes occasionally sun themselves in the middle of the trail. If encountered, keep your distance and allow space for the snake to retreat.

Poison oak can be identified by groups of 3 leaves going up the branch. It's best avoided by staying on the trail and wearing long pants and long-sleeved shirts to prevent contact with skin.

Ticks are most often found in shaded, grassy areas off the beaten path. Stick to established trails and wear long pants to avoid contact. Check for ticks frequently, especially the scalp, waist and other dark places where they can hide.

SHARE THE TRAIL

When trail conditions require a right of way for safe passage, **equestrian users have the primary right of way, hikers next and then mountain bikers**. When trail conditions allow and when there is width to safely pass, common courtesy should prevail for all users. Stand to one side of the trail and allow them to pass. When in a group, avoid blocking the trail. **Mountain bikers yield to all trail users**. Anticipate other trail users as you ride around corners. Mountain bikers traveling downhill must yield to all users, including other mountain bikers, headed uphill. In general, make each pass a safe and courteous one.
