QUICK GUIDE TO
ZUMA EDISON ROAD

Quick Guide courtesy of County of Los Angeles

DESCRIPTION: This lengthy, remote service road traverses Zuma Canyon from ridge to ridge, plunging to the canyon bottom creek crossing in between. Views of the Pacific Ocean and and rugged mountain terrain offer a great sense of immersion in the wild surroundings. If physical fitness and time allows, do a 12 to 15-mile loop outing by connecting with several surrounding trails in the Zuma/Trancas trail network, including Zuma Ridge Motorway, Zuma Canyon Connector Trail, and Kanan Edison Road.

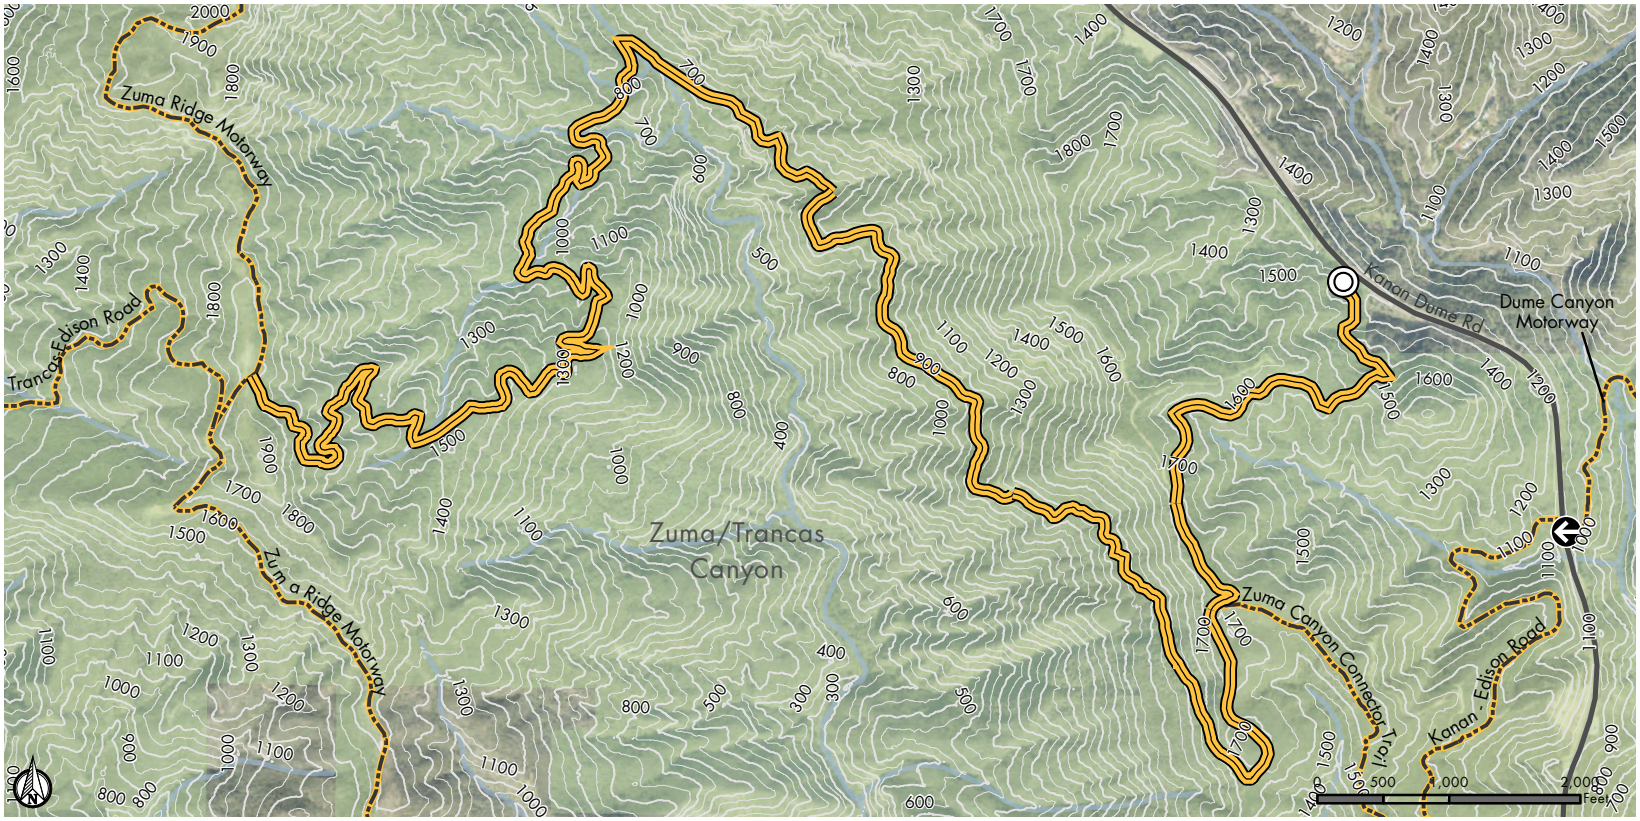
DIRECTIONS: From the east, travel 3.2 miles north on Kanan Dume Road to the Zuma Edison Road terminus on the left (west) side of the road. There is a large unpaved pullout for parking with no Trailhead amenities. From the west, access from Zuma Ridge Motorway at 2.6 miles north of the motorway's southern end.

SANTA MONICA MOUNTAINS NATIONAL RECREATION AREA

ZUMA/TRANCAS CANYONS

Length: 4.87 miles

Elevation Gain: 1,086 feet

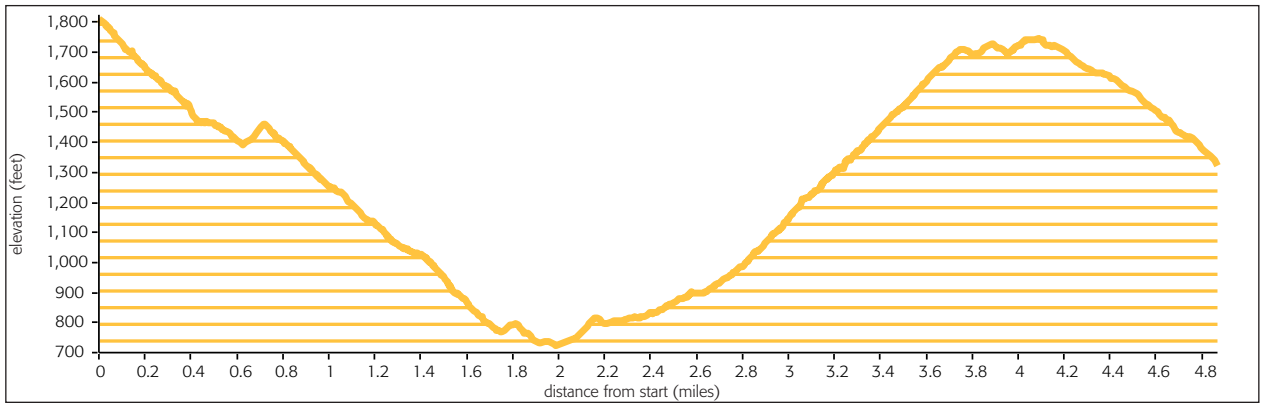


Access & Features

- Trailhead
- Trail Access Point

Trail Type

- Trail Road (unpaved)



QUICK GUIDE TO

ZUMA/TRANCAS CANYONS TRAILS

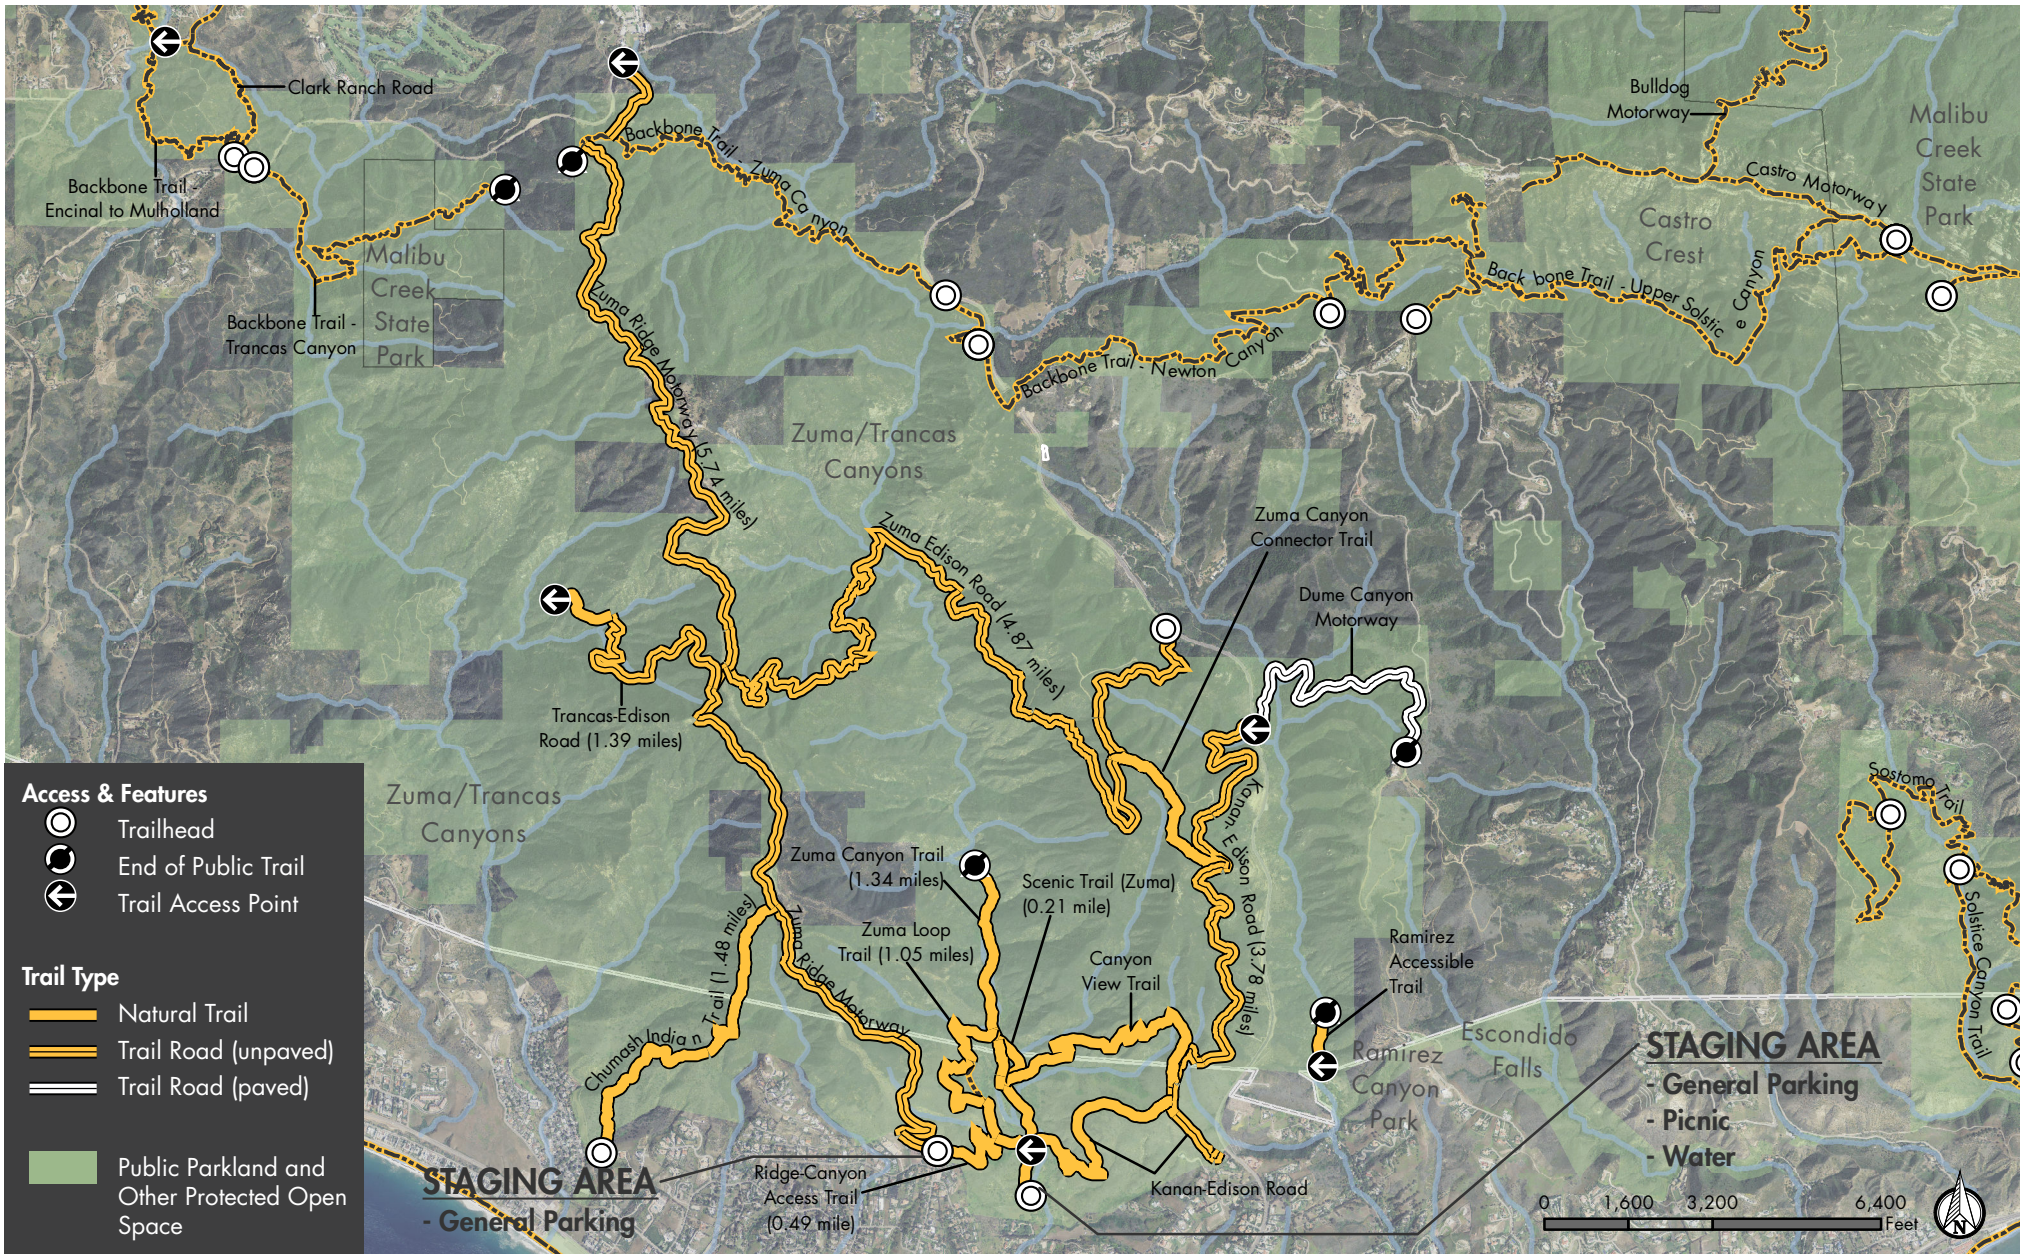
SANTA MONICA MOUNTAINS NATIONAL RECREATION AREA

ZUMA/TRANCAS CANYONS

Quick Guide courtesy of County of Los Angeles

DESCRIPTION: Zuma/Trancas Canyons comprise a large area of continuous native habitat. "Zuma" is the Chumash word for abundance, which is fitting given the amount of plant and animal life in the area. Trails dive into remote canyon bottoms and travel along ridgelines with broad horizons. The Backbone Trail System ties in with Zuma Ridge Motorway. Cyclists are not allowed on any trails in lower Zuma Canyon. Equestrians are allowed on all trails, except Ramirez Accessible Trail.

DIRECTIONS: From PCH, turn inland at Busch Dr, across from Zuma Beach. Travel 1.3 mi. to the Zuma Ridge Trailhead, or turn right (east) onto Rainsford Pl, then left (north) on Bonsall Dr to the Zuma Canyon Trailhead. The trails in can also be accessed from the Kanan Backbone Trailhead. From the 101, exit Kanan Rd. Head south 8 miles to trailhead.



Access & Features

- Trailhead
- End of Public Trail
- Trail Access Point

Trail Type

- Natural Trail
- Trail Road (unpaved)
- Trail Road (paved)

- Public Parkland and Other Protected Open Space

QUICKGUIDE INFORMATION

COURTESY OF THE COUNTY OF LOS ANGELES | DEPARTMENT OF PARKS AND RECREATION

SAFETY FIRST

In case of EMERGENCY dial 911.

For non-emergencies on County trails call the Los Angeles County Sheriff's Parks Bureau Dispatch at (800) 834-0064.

HAZARDS ON THE TRAIL

Rattlesnakes occasionally sun themselves in the middle of the trail. If encountered, keep your distance and allow space for the snake to retreat.

Poison oak can be identified by groups of 3 leaves going up the branch. It's best avoided by staying on the trail and wearing long pants and long-sleeved shirts to prevent contact with skin.

Ticks are most often found in shaded, grassy areas off the beaten path. Stick to established trails and wear long pants to avoid contact. Check for ticks frequently, especially the scalp, waist and other dark places where they can hide.

SHARE THE TRAIL

When trail conditions require a right of way for safe passage, ***equestrian users have the primary right of way, hikers next and then mountain bikers****. When trail conditions allow and when there is width to safely pass, common courtesy should prevail for all users. Stand to one side of the trail and allow them to pass. When in a group, avoid blocking the trail.* ***Mountain bikers yield to all trail users.*** *Anticipate other trail users as you ride around corners. Mountain bikers traveling downhill must yield to all users, including other mountain bikers, headed uphill. In general, make each pass a safe and courteous one.*

WHAT TO BRING

- ✓ *Water for you and your animal(s)*
- ✓ *Trail map*
- ✓ *High energy snacks*
- ✓ *Waste bags for your dog*
- ✓ *First aid kit*
- ✓ *Extra clothing*
- ✓ *Sunglasses/hat*
- ✓ *Sunscreen*
- ✓ *Insect repellent*
- ✓ *Trekking poles (optional)*
- ✓ *Flashlight (optional)*
